What a Way to Launch the New Year!

January 2012

I just have to take a minute to tell you I had such fabulous fun on the radio program – Sunday Night Live – 89.3 in Houston, Texas with host Kim Wier on January 8th! I so appreciated the opportunity to share about Beautiful Gate Translations and how the ministry was founded ten years ago. She is great, so be sure to tune in every Sunday night by logging on to ksbj.org!

Last year was such a richly rewarding year for me as the Bible study materials and booklets we have translated and produced continued to be shared abroad. Not only did we train another group of Romanian women (and one man!) with the translated study, *Jesus the One and Only*, the Portuguese translation of the booklet by Beth Moore called *Discovering God's Purpose for Your Life* was shared down in Brazil by a wonderful ministry team – Amazon Outreach. What a privilege to be a part of His Kingdom work!

Now that I have reminisced a bit about 2011, I want to launch our vision toward 2012 and two high priority projects for which we need your prayers and support. We literally have everything ready to go in order to print the third translated Bible study by Beth Moore called *Living Beyond Yourself, Exploring the Fruit of the Spirit*. The only thing lacking is the funding to do it. If we are able to print this study by the end of the first quarter, I can introduce it in Romania in early summer. Will you please prayerfully consider helping us with a gift to birth this new Bible study?

Secondly, we are also ready to move forward with the production of the booklet *Discovering God's Purpose for Your Life* by Beth Moore into Russian and Ukrainian. The booklet has been translated for some time now, but the funding has not been available to produce them. We really believe that time is of the essence now to get this project completed as soon as possible. The picture shown here is in Romanian. I have received quite a few requests for Russian resources, so I hope we can get this smaller project launched as soon as possible as well.

As always, I am deeply grateful for your loving prayers and support. In hopes that I don't sound like a broken record, I say again - I cannot do this without you. Truly, you are the "wind beneath my wings" as you partner with us. All glory to the Lord for His goodness!

With hope,

Paulette
