## ON THE ROAD AGAIN!

We're off to see the wizard...oops! Wrong story! I am actually heading to Romania on June 9<sup>th</sup> and returning June 21<sup>st</sup>. I will be working with the Carnes to coordinate the Ladies conference in Bucharest, Romania, which is scheduled for Sept. 21 – 22!! Also, we now have four Romanian projects to complete plus two more in Turkish. Thank you for making this journey possible these past years!

### New Support Program

Dear BGT Friends,  
We are praying about setting up a Sustainer Giving Program, which will help us gain a more consistent financial support base. This type of giving program will allow us to dedicate more time to the translation projects. Would you prayerfully consider becoming one of our monthly sustainers? ***We will soon be sending out more information about this program. Until then, due to the projects which are currently 'in the works', we would be most grateful at this time for your financial support.***

### *Paulette's Personal Notes —*

*I can hardly wait to get to Bucharest to be with Peggy and Larry Carnes. These precious IMB missionaries are not only helping me coordinate the Ladies conference, but also assisting with the translation projects. Thank you!*

*The Lord has opened doors for BGT to begin the translation of two Beth Moore Bible studies into Turkish. As a result, I will be meeting with some individuals who work with Muslim Turks. I am not at liberty to share in more detail in order to protect their identity.*

*Peggy and I will travel to Timisoara and then to Arad to continue the work on three Romanian translation projects. The Lord has brought us together with a wonderful Christian printing company whose owner has a huge heart for ministry. Please pray we use our time wisely and productively.*

### **Want to know where some of the translated materials are headed this summer? So glad you asked!**

- 500 copies of the Portuguese translation of Beth Moore's booklet *Discovering God's Purpose For Your Life* are headed to Brazil, South America.
- 100 additional copies are winging their way to Mozambique, Africa with a church-planting group.

### **Here is a brief list of previous distributions**

- 100 Portuguese copies of the same booklet have already gone to Angola, West Africa.
- 2000 copies of the Romanian translation of the same booklet have been distributed. **With additional funding, we will do a second printing for distribution at the Ladies Conference.**
