"No Kidding!"

Just thought you would like to know that I became famous for using that expression while in Sighisoara, Romania this October. ☺ I had the most blessed time staying with the conference coordinator and her family for several days. Bethany and Mihai have three wonderful boys who stole my heart. They are full of energy, and they especially loved to hear me say, "No kidding!" Isn't it cool how the details in life matter so much? Thank you, Serengheu family, for caring for me and loving on me so much! You are the best!

The Lord truly did bless this trip and the Women's Leadership Training Conference – even in the details. I just don't have the room here to share all the marvelous things the Lord did, but please trust that my heart is overflowing with gratitude for His abundant blessing and grace over everything. I found myself being immersed into relationship in such special and unexpected ways. My heart is more deeply in love with Romania than ever before. How I wish each of you could have traveled with me to witness first-hand how loving and gracious these dear folks were to me. Bethany and Helga are dear friends and "comrades" who worked tirelessly and diligently prayed for this conference. I deeply appreciate their leadership skills and servants' hearts! Thank you to Helga's husband, Pastor Stefan, for opening the conference with prayer and words of encouragement.

We had a roomful of women (and one very brave man who leads a Bible study group for women and men!!) who came to hear from the Lord and many to receive the training for the translated Bible study, *Jesus the One and Only* by Beth Moore. We laughed, sang, rejoiced, hugged and sat at our Lord's feet. In short, we feasted on His goodness. One striking thing that was shared that day was how astounding it was that so many different churches/ministries were represented there under one roof, worshipping and fellowshiping together. What a delight for the Father's heart!

Since you were not able to travel with me, I have decided to add two pages to this newsletter with pictures and captions only. You just had to see for yourself these dear saints as they came together earnestly seeking a greater depth in His Word. Without exception, they received the Bible study materials with great appreciation.

Thank you to everyone who prayed, encouraged and financially supported Beautiful Gate Translations to help make it possible to bless our Sisters and Brothers abroad. Many of you already know that the Lord had us postpone our trip to Moldova until next Spring. So we concentrated on our time in Sighisoara.

One final word that I feel the Lord shared with me while in Sighisoara. He is doing a mighty work there and laying a foundation for a move of His Spirit among the women. This is a fabulous verse given to me from the Complete Jewish Bible – "Adonai gives the command; the women with the good news are a mighty army." Psalm 68:11

On October 22, 2011 you helped equip this mighty army with weapons of warfare through the study of His Word. Their lives will never be the same. Please pray expectantly for every seed planted that trip.
